SECTION I

ARTICLE 101 - RECOGNITION

The County recognizes the Union as the sole and exclusive representative in all matters establishing and pertaining to wages, hours and other terms and conditions of employment for all employees in the bargaining unit. The bargaining unit is defined as all regular full time Firefighter/EMT/Paramedics employed by Sandoval County, excluding probationary employees. Also excluded are Chief, Deputy Chiefs, Assistant Chiefs, part time firefighter/EMT/paramedics, and Clerical and Administrative employees, as noted in Public Employees Labor Relations Board [PELRB] Case Number 324.06.

ARTICLE 102 – COMMUNICATION

In the interest of creating and maintaining positive, productive, open, and honest communication between labor and management, the parties agree to establish a process promoting this climate for the exchange of information as set forth in this Article.

In the event that the department determines it necessary or advisable to change, modify, or replace existing departmental rules, policies, guidelines or procedures affecting bargaining unit members, the Chief or designee shall advise the Union president and provide him with a copy of the proposed changes. Within five (5) calendar days of receipt of the proposed changes, the Union president will advise the Fire Chief if the Union wishes to meet and discuss the proposed changes.

Formulation of new Fire Chief's Directives, Standard Operating Procedures/Standard Operating Guidelines, to include job specifications, or any additional departmental rules and regulations shall be presented to the Labor Management Committee for discussion and input.

Nothing in this article shall form the basis of creating any appeal rights to an administrative agency or court except as provided by law.

ARTICLE 103 - DISCRIMINATION

The parties to this agreement agree not to discriminate against any employee because of race, color, religion, sex, national origin, marital status, membership or non-membership in the Union, age, sexual orientation, disability, veteran status, or any other group protected by Local, State, or Federal Law..

ARTICLE 104 – UNION BUSINESS

The County, with the knowledge and approval of the Chief, shall allow the Union Officers to meet with members, engage in activities, and conduct business regarding the administration of the Agreement on non-duty, unpaid time. Union Officers, when appropriate, will be allowed to attend scheduled meetings with Sandoval County on non-duty, unpaid time.

For any meeting likely to result in discipline, and upon request of the bargaining unit member, no more than one Union Officer shall be allowed to leave the work site on unpaid time. The County agrees to reschedule any meeting where a Union Officer is not available, provided that the meeting is held within twenty-four (24) hours.

Members elected or appointed by the Union to attend grievance hearings or proceedings will request leave to attend grievance hearings. For any given grievance, no more than one Union representative shall be granted leave.

Union Officers may, on non-duty, unpaid time, meet with access to new employees to present them with information about the Union and a copy of the Agreement.

ARTICLE 105 - UNION USE OF COUNTY FACILITIES

The Union may request to utilize the Fire Department Facilities room for Union meetings. Such meeting shall not include any on duty personnel. The readiness of the Fire Department to respond to emergencies shall not be compromised during any meeting.

ARTICLE 106 - DUES DEDUCTION

The County agrees to deduct per paycheck (26 times per year) dues in an amount certified by the Treasurer of the Union annually from the pay of those employees who individually request in writing that such deductions be made. The County shall remit the total amount of deductions each month to the Treasurer of the Union. The County will not be held liable for any claims against it by a union member.

The County will make an effort to utilize its full time career employees to perform all work, but the County reserves the right to utilize temporary employees as per the Sandoval County Personnel Ordinance.

ARTICLE 109 - NO STRIKE

No public employee or labor organization shall engage in a strike. Strike means a public employee's refusal, in concerted action with other public employees, to report for duty or his or her willful absence in whole or in part from the full, faithful and proper performance of the duties of employment for the purpose of inducing, influencing or coercing a change in the conditions, compensation, rights, privileges or obligations of public employment. Lockout means an act by the County to prevent employees from going to work for the purpose of resisting demands of employees' exclusive representative or the purpose of gaining a concession from the exclusive representative.

ARTICLE 110 - BULLETIN BOARD SPACE

The Agreement will be posted on the Fire Department's website for employees to access.

ARTICLE 112 – APPLICABILITY

The Sandoval County Personnel Rules and Regulations, as currently written or as amended, shall control any employment issue not addressed by the provisions of this Agreement. However, if the provisions of this Agreement and the Sandoval County Personnel Rules and Regulations conflict, the provisions of this Agreement shall control for bargaining unit personnel.

ARTICLE 113 – HAZARDOUS DUTY OFFICERS EMPLOYER-EMPLOYEE RELATIONS ACT

Sandoval County, the Sandoval County Fire Department, and the Sandoval County Firefighters' Association, Local 4563, IAFF, incorporate into this Agreement by reference the New Mexico "Hazardous Duty Officers Employer-Employee Relations Act", Section 10-7F-1 et. seq. (NMSA 1978).

ARTICLE 114 – PHYSICAL CONDITIONING AND MEDICAL SCREENING PROGRAM

A. To meet the joint intent and goals of the International Association of Fire Chiefs and the International Association of Firefighters to establish fitness programs to improve firefighter health, wellness, fitness, safety, performance, and effectiveness; to comply with the State of New Mexico "Firefighters' Occupational Disease Act", Chapter 52, Article 3, "Occupational Disease Disablement", and to assure that employees covered by this Agreement continue to meet the requirements of the Sandoval County Job Descriptions for Firefighter/Paramedic and Firefighter/EMT-Intermediate, Sandoval County, the Sandoval County Fire Department, the Union, and employees covered by this Agreement hereby agree to abide by physical training and medical screening programs established by the County and the Department for firefighters.

B. In recognition of the above, the Union and employees covered by this Agreement agree that Sandoval County has the right to assess and determine an employee's physical fitness and ability to do the job.

C. To maintain physical fitness, employees shall be required to participate in one (1) hour per twenty-four (24) hour shift worked of physical training, as set by the Sandoval County Standard Operating Guideline 100-19. In this regard, all employees must receive clearance to participate in physical fitness training and fitness assessment by the Fire Department Occupational Medical Group that meets OSHA standards.

D. The Fire Department's Wellness Officer, appointed by and under the direction of the Fire Chief or his designee, is responsible for development and administration of the Wellness and

Fitness Initiative to comply with Department and Union Goals and applicable State of New Mexico statutes. Any proposed changes to existing fitness requirements shall be directed to the Labor Management Committee for review and/or action.

E. To establish a baseline level of fitness for each employee, each individual shall complete an annual Department-approved Physical Agility Test as outlined in Section VII of the Sandoval County Standard Operating Guideline 100-19, "Work Related Ability Test (WRAT)". This test shall be successfully completed no later than March 31st of each calendar year. Employees shall be paid for time spent in testing.

F. An employee who fails to meet required physical agility standards will be given up to ninety [90] calendar days in which to undergo remedial physical training, retest, and successfully meet standards.

G. If upon completion of the ninety [90] day period provided in paragraph [F] above the employee still does not meet work-related physical requirements, the employee shall, in consultation with and concurrence from the Fire Chief, enter into a Memorandum of Agreement stating the amount of time it will take for him to successfully complete the Work Related Ability Test. The maximum amount of time allowed shall be one hundred fifty [150] calendar days from the date of his initial failure to meet the required standards.

H. An employee on temporary limited duty resulting from an occupational injury is excluded from the requirements of this Article during the term of his limited duty.

I. It is the parties' intent to have two (2) Peer Fitness Trainers (PFT), subject to employee interest and budget restrictions. Employees shall meet with PFTs according to schedules developed by the PFT. Time spent by PFTs in meeting with bargaining unit employees will be counted as time worked. Any additional time requires pre-approval by the Chief or designee.

ARTICLE 115 – RESTRICTED DUTY

The County will attempt to provide Restricted Duty to employees injured on the job or with medical restrictions of a temporary duration as noted below:

- The employee will continue on a regular fire department shift rotation if such an arrangement is approved by the Fire Chief and the employee can be productively utilized on such shift.
- If the employee cannot be allowed to continue on the regular shift rotation per Article 301, the Fire Chief may assign the employee to a work week typically consisting of five (5) day shifts, Monday through Friday, on a forty hour per week basis.
- When an employee is assigned to a forty hour week on Restricted Duty, his pay rate shall be adjusted so that his weekly gross income is eighty five percent (85%) of the average weekly gross remuneration he would receive had he continued on his regular shift.

- Should there be no available restricted duty within the Fire Department, the County may assign the employee into another Department, subject to the nature of the employee's restrictions and his skill levels.
- Because of the relatively small size currently of the Sandoval County Fire Department, no more than three (3) individuals shall be offered restricted duty at any one time.
- The employee must have been released by a workers' compensation authorized physician to return to work in a restricted duty status. The County must be kept informed by the physician as to the nature of the employee's injuries, the restrictions imposed upon him, and the expected date of return to full duty status.
- Refusal by the employee to accept restricted duty may impact his eligibility for workers' compensation payment. The parties recognize that the rules and regulations of the Sandoval County's Worker's Compensation provider must be followed.
- In no event shall an employee remain on restricted duty for more than six [6] calendar months following an occupational injury unless such exception is requested by the Fire Chief and approved by the County Manager.

SECTION II

ARTICLE 200 - NON-ARBITRABLE COMPLAINTS

A complaint shall be defined as an appeal by an employee of a verbal warning, written warning, written reprimand, performance evaluation, performance improvement plan or other disciplinary measures. Said complaint shall not be subject to arbitration as set forth in Article 201; and shall be submitted and resolved according to the complaint procedure set forth below. Any written complaint shall include the following:

Department, Job Title, disputed action or inaction, redress/remedy, and name of representative.

Step 1 – The affected employee shall discuss the complaint with the supervisor who initiated the action being appealed in the presence of a non-bargaining Deputy Chief. The complainant may designate a representative to accompany him at any point in the process. The initiating supervisor shall not consider the complaint unless it is submitted in writing no later than five [5] business days after the affected Employee knew or reasonably should have known of the action that precipitated the complaint. The purpose for the employee putting the complaint into written form is to preserve the employee's rights for further appeals as necessary and to provide the Fire Department with adequate and timely notice of the nature of the dispute. If at this point the complainant is unable to resolve the complaint, said complaint shall proceed to Step 2. The time limits for Step 2 will begin immediately following the meeting with the supervisor.

Step 2 – The affected employee shall discuss the complaint with the Fire Chief or designee within five (5) business days of the meeting with the supervisor. Although no written documentation of the content of the complaint meeting is required, the date and time of the meeting shall be documented to establish that the appropriate time limits are being observed. A non-arbitrable complaint shall be deemed resolved upon the decision of the Fire Chief.

Step 3 – If there is an alleged abuse of authority and/or upon arguable special circumstances, the Personnel Director may choose to review the dispute provided the employee files the written complaint with the Personnel Director within five (5) business days of decision of the Fire Chief or designee.

ARTICLE 201 - GRIEVANCE & ARBITRATION PROCEDURE

The purpose of this grievance procedure shall be to secure, at the lowest possible administrative level, equitable resolutions to problems, which may arise and are subject to review under this procedure. There shall be no other grievance or appeal procedure for employees in the bargaining unit other than contained in this Article. The intent of this language is to ensure that the only remedy or recourse the Union or an employee has regarding an issue that is covered by the Agreement is the procedure contained herein.

A grievance shall be defined as a dispute pertaining to a claim, which alleges a violation of this Agreement. County Rules, County Regulations, County Ordinances and the Fire Chief's Directives are not subject to the provisions of the grievance procedure. The parties agree that these issues shall be addressed to their immediate supervisor up to the Deputy Chief EMS and/ or by allowing a Union Representative to provide input and recommendations on these in the Labor Management Committee meetings.

A grievant shall be any employee in the bargaining unit, group of employees in the bargaining unit or the Union.

"Days" is defined as Monday through Friday, not including holidays observed by the County. When this procedures states a specific number of days in which some action must or may be taken after a given event, the day of the given event is not counted in computing the time, and the last day of the period is deemed to end at close of business on that day.

INFORMAL:

The grievant shall first declare the possibility of a grievance exists, cite alleged contractual violations and relief sought, then discuss the grievance with the Deputy Chief of EMS directly with the objective of resolving the grievance. If resolution is not achieved then the grievant shall request the grievance be placed on the Agenda of the next Labor Management committee meeting.

FORMAL:

Grievances may only be filed on behalf of an individual employee or group of employees covered by this Agreement or the Union as an exclusive representative.

All formal grievances shall be filed in writing within five (5) days of the date the grievant knew or should have known of the act or omission giving rise to the grievance and shall contain the following:

The name and position of the affected employee(s)

A clear and concise statement of the grievance

The issue or issues involved

The desired resolution or relief sought

The date the incident or violation took place

The specific section(s) of the Agreement alleged to have violated

If the grievance is not resolved within ten (10) days at this level, a written grievance may be filed with the Fire Chief. To be considered, the grievance must be timely submitted and contain what contractual provision(s) of the Agreement is alleged to have been violated, all of the known facts constituting the alleged violations and relief requested. Amendments to the grievance are allowed only if such amendments are completed in writing within the ten (10) days.

If after ten (10) days from the date the grievance was filed with the Fire Chief, the issue is not resolved, within ten (10) days a grievance may be filed with the County Manager or designee. No later than ten (10) days following receipt of the written grievance, the County Manager or designee, shall schedule a meeting in an attempt to resolve the grievance. Each party shall be entitled to bring documents to the meeting or statements from the employees to support their assessment of the issue. Both parties may call upon County employees to provide information regarding the issue.

The County Manager or designee will have ten (10) days to render a decision.

If the grievance is not resolved by the County Manager or designee, the grievant and or the Union may request that the grievance be submitted to arbitration. Such request must be submitted to the Federal Mediation and Conciliation Service with a copy to the County Manager no later than ten (10) days following the date that the grievant is notified of the County Manager's decision or of the date the decision was due.

ARBITRATION:

The arbitrator will be selected from a regional list of seven arbitrators requested from the Federal Mediation and Conciliation service. The moving party to the arbitration shall request the list of arbitrators and shall strike the first name from the list. The parties shall alternatively strike names thereafter and the last remaining name shall be the arbitrator selected. Striking by the parties shall occur within ten (10) days of receipt of the list of arbitrators. The arbitrator may also be selected by mutual agreement of the parties as an alternate selection process.

The arbitrator shall conduct the hearing as soon as possible.

The arbitrator's decision shall be in writing and shall include the decision, the rationale and, if appropriate, relief. The arbitrator shall not have the authority to expand, or add to, the rights of the employees or the Union have under the terms of this Agreement.

The arbitrator's decision shall be final and binding on the parties.

The arbitrator's fees and costs shall be shared equally by the parties. All other expenses shall be assumed by the party incurring the costs, including the cost of witnesses.

MISCELLANEOUS:

No reprisal or retaliation by any party shall be taken against any person who participates or is a witness in the proceeding of a grievance or appeal. A grievant and the party filing charges may be accompanied and represented at any hearing or meeting conducted under this procedure.

If a grievance affects a group or two (2) or more employees and involves an action or decision by the County or Department, which has a department wide impact, the Union may submit the grievance on behalf of the affected employees at the Formal process.

All documents related to a grievance or appeal shall be maintained as a separate file. All grievance and grievance responses shall be filed and processed in accordance with this Agreement.

The grievant and the Union's processing of grievances shall be conducted on off duty time.

ARTICLE 202 - DISCIPLINE ACTION AND DISCHARGE

Discipline Action or discharge shall only be for just cause. All pre-disciplinary hearings shall be held in the strictest confidence.

For the purpose of handling disciplinary action and due process; the process outlined in the Sandoval County Personnel Ordinance will be utilized, except any appeals of discipline involving suspension, demotion, or discharge will be processed in accordance with the Grievance Procedure, Article 201, or the Grievance Procedure in the County's Personnel Rules and Regulations. An employee will make an irrevocable election within the five (5) day time limit to grieve, choosing either the Grievance Procedure herein or the Grievance Procedure in the Rules and Regulations. Once an election has been made, the employee may only proceed under the elected procedure.

The pre-disciplinary meeting is for the purpose of allowing the employee an opportunity to respond to the charges and to provide information and/or explanations to mitigate the proposed discipline. Employees may have a union representative or counsel present for advice and to help present the employee's version of pertinent events, but the meeting is not a full evidentiary hearing.

ARTICLE 203 - SENIORITY

Seniority means a status attained by length of an employee's continuous service calculated from the last date of hire as a full time employee in the IAFF bargaining unit of the Sandoval County Fire Department. Seniority as set as of inception of the Department on July 1, 2005, is recognized for those employees in the Department at that time. If two or more employees start on the same date, seniority is determined by a random drawing of numbers. The numbers shall be one to ten. The employee who draws the lowest number will have seniority.

Highest seniority is determined by the following:

1. Rank
2. Time in Rank
3. Level of licensure (paramedic being senior, except for vacation selection)
4. Time of Service

The following shall break continuous service:

1. Resignation [includes three days no call-no show]
2. Discharge
3. Retirement
4. Employee is laid off for more than six [6] months
5. Employee declines offer to return to work following recall
6. Employee fails to return to work from a leave of absence

Seniority shall be used for:

1. Annual vacation selection
2. When all other factors are equal, seniority shall be the basis of choice for shift bids and opportunities for transfer, provided no more than one (1) EMT-I is assigned per shift.
3. When all other factors are equal, for involuntary transfers the employee with the lowest seniority shall be the one designated.
4. In all cases, the needs of the Department shall be the major factor in the assignment of shift changes and transfers.

Seniority shall not be a factor on any emergency scene.

Upon satisfactory completion of the probationary period, the employee shall be credited with seniority back to the date of hire into a position covered by this Agreement.

The Union agrees to provide a seniority list of bargaining unit employees to Command Staff in writing in January of each year and at any time there is a change due to promotion, demotion, new bargaining unit employee, or change in licensure.

ARTICLE 204 - UTILIZATION

Suggestions for improving staffing and utilization may be presented by the Union to the Labor Management Committee.

ARTICLE 205 - LABOR MANAGEMENT COMMITTEE

The Labor-Management Committee (hereafter LMC) is established for the purpose of discussing any and all items of concern to either the Fire and Rescue Management or the Union.

The LMC may meet at least quarterly or more often if mutually agreed upon. Either management or the union may submit its findings, recommendations, or areas of concern directly to the County Manager as it deems appropriate.

The LMC may promulgate such procedural rules as it deems necessary.

Nothing contained in this shall be construed as diminishing the authority of the County Manager or abrogating his/her authority as provided by law.

ARTICLE 206 - TECHNOLOGICAL CHANGE

Technological changes and training may be discussed during the LMC meetings prior to implementation if practicable.

ARTICLE 207 -DRUG AND ALCOHOL TESTING

Article XII, Drug and Alcohol Policy and Testing, of Sandoval County's Personnel Ordinance adopted February 5, 2009, or as amended, is hereby incorporated in full to include the Sandoval County Fire Department employees.

ARTICLE 208 - LAYOFF

In the event of a Reduction-In-Force, affected employees and the Union shall receive two [2] week's advance written notice. Employees with the least seniority, as defined in Article 203, Seniority, shall be laid off first and their names shall be placed on a recall list. The County makes layoff determinations based on classification [rank], time in classification [rank], required qualifications and certifications, and the ability to do available/required work. The County shall be the sole determiner of the numbers of employees required in each classification at all times. Given all of the above, layoffs will begin with lowest seniority in each classification and follow the seniority list with consideration for the needs of the Department.

ARTICLE 209 - RECALL

No new employees shall be hired until all laid-off employees on the recall list have been given the opportunity to return to work. Names on the recall list shall remain valid for six (6) months and employees shall be recalled from the list in the order of their seniority. Recalled employees shall give notice of acceptance or refusal within five (5) business days of notification. If accepted, they shall report for work within twenty (20) business days of notification; if declined, their name shall be removed from the list..

ARTICLE 210 - LEAVE OF ABSENCE

The Fire Chief may approve leave without pay for up to five (5) business days upon the written request of the employee. A request by an employee for leave without pay in excess of five (5) business days must be approved by the Fire Chief and the County Manager.

Leave without pay when requested, may be granted when the Fire Department can assure a position of like status and pay within the Fire Department upon the return of the person from leave without pay.

If the Fire Department cannot assure a position in the Fire Department, and the bargaining unit member agrees in writing to waive that requirement, leave without pay may also be granted.

Bargaining unit members may request in writing a longer period of Leave without Pay. This request must be approved by the Fire Chief and forwarded to the County Manager for final approval.

Employees shall not accrue sick or annual leave while on leave without pay. Service time will not be credited while on leave without pay.

Leave without pay will be recorded on the appropriate form.

During leave without pay, the bargaining unit member may pay the County's portion and his portion of their insurance and PERA in order to continue coverage.

ARTICLE 211 – VOLUNTARY DEMOTION

Any employee who voluntarily requests a demotion from current classification may be demoted to a lower appropriate classification if a vacancy exists. The employee shall make the request in writing for approval by the Fire Chief. The employee shall receive the rate of pay established for the lower rank.

ARTICLE 212 - OVERTIME PAY AND COMPENSATORY TIME

In accordance with the U. S. Department of Labor's "Overtime for Police and Firefighters" interpretation of section 207(k) of the Fair Labor Standards Act, pay for hours worked beyond two hundred twelve (212) hours per twenty eight (28) day pay cycle shall be paid at the employee's time and one-half rate or accrue as Compensatory Time as set forth below. Paid leave does not count as time worked for purposes of computing overtime. Time spent in County-directed training does count as time worked. There shall be no pyramiding of overtime.

Compensatory Time may be accrued in accordance with federal requirements and the Compensatory time provisions of the Sandoval County Personnel Rules and Regulations, with the exception that bargaining unit members may accrue up to two hundred forty (240) hours. Hours earned must be used within twelve (12) weeks. Compensatory time accrues at the rate of one and one-half hours for each hour worked. Compensatory time not used within the twelve (12) week time limit shall be paid out at the employee's current straight time rate of pay.

Compensatory time, when taken, cannot exceed the normal time paid for a shift. For example, if the employee works a twenty four (24) hour overtime shift and receives credit for thirty six (36) hours of Compensatory time, and then takes off twenty-four (24) hours of work time at a later date, he will be paid twenty four (24) hours of Compensatory time and will still have twelve (12) hours in his Compensatory time bank. All Compensatory time will be paid at the employee's straight time rate, even if the shift taken off is otherwise an overtime shift.

ARTICLE 213 - PERSONAL PROTECTIVE EQUIPMENT

The County shall furnish and maintain at no cost to the employee all respiratory apparatus, gloves, helmets, protective clothing (bunker gear), wild land gear, and other protective equipment determined by the County to be necessary to preserve and protect the safety and health of fire fighters. All protective items shall meet the applicable standards at the time of purchase.

The County shall furnish to bargaining unit members who need it, up to one hundred twenty five dollars (\$125.00) per eighteen-month (18) month period toward the purchase of prescription eye protection equipment for use in SCBA. In order to access this benefit, the employee must first obtain a prescription for eye protection equipment from an optometrist or ophthalmologist. The employee must purchase the prescribed glasses and submit the prescription and the original receipt to his immediate supervisor for processing.

The County shall furnish non-prescription safety eye protection equipment as required.

The County will not be held responsible for damaged or broken non-prescription personal eyewear. It will replace or repair prescription eyewear up to the maximum allowed by Risk Management if it is proven to have been damaged or broken while engaged in duties as a Firefighter/EMT/Paramedic.

- B. The Human Resources Director on a case-by-case basis shall evaluate special or unusual circumstances. The Personnel Director shall then make the final determination of eligibility for Bereavement Leave in such cases. If, in the County's judgment, additional time is warranted, it shall be charged first to the employee's Sick Leave Bank, then, should there be insufficient Sick Leave, to the employee's Annual Leave account.

Section 3: Events

- A. When the County grants Administrative Leave to all County employees to acknowledge an event, employees covered by this Agreement who are required to work at that time shall be paid for the amount of hours other employees were granted Administrative Leave.
